

HOMESCHOOL PLUS

The Bogenhofen church school is offering a new school model starting from September: Home School Plus. This means that children between the ages of 10 and 14 get the opportunity to be accepted as regular online students in the subjects Mathematics, German and English in the Middle School Bogenhofen.

We offer

- regular instruction via Microsoft Teams (online platform) according to the existing Austrian curriculum with specialist teachers.
- Grades as individual feedback. However, they are not the basis for the school report. An externalist examination must be taken.
- Home School Plus children who register at our school as externalists receive a discount for the externalist exam for the entire exam if they want to take it in Bogenhofen.
- If you register by the 10th of June, we can order the textbooks for you.
